**ORDER**

13 These consolidated cases arise out of the alleged infringement of several patents relating  
14 to automated gambling. Defendants in the Lead Case, No. 2:16-cv-801, and one Member Case,  
15 No. 2:16-cv-781 (collectively, “Movants”), have asked the Court to transfer venue and have also  
16 asked the Court to shorten time to respond and reply. Specifically, Movants argue that the  
17 relevant Complaints allege no facts indicating that Movants either reside in or have any regular  
18 and established places of business in Nevada. *See TC Heartland LLC v. Kraft Foods Grp. Brands*  
19 *LLC*, 2017 WL 2216934, at \*3 (2017) (holding that 28 U.S.C. § 1400(b) governs venue in patent  
20 infringement actions, not the general venue statute, § 1391).

21 The Court will not shorten time. Particularly, where seven cases have been consolidated,  
22 the Court desires to have the views of all Defendants before ruling on the present motion. The  
23 Court also wishes to settle the newly arisen venue issue as to all of the consolidated cases at  
24 once.

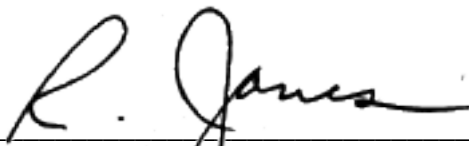

1 **CONCLUSION**

2 IT IS HEREBY ORDERED that the Motion to Shorten Time (ECF No. 169) is DENIED.

3 IT IS FURTHER ORDERED that Defendants in all member Cases shall, within seven (7)  
4 days, either JOIN the present Motion to Transfer for Improper Venue (ECF No. 168) or FILE a  
5 notice of waiver of the venue issue. Failure to comply will be deemed a waiver of the venue  
6 issue.

7 IT IS SO ORDERED.

8 Dated this 15th day of June, 2017.
